# CALABRIA FOTI

## *In the Still of the Night*

Calabria Foti is a jazz/pop vocalist with a lush, silky voice.

***In the Still of the Night***, her third album release, comprises 11 songs by Cole Porter. Calabria worked with Grammy Award winning pianist Michael Patterson, who arranged and produced the CD to capture Porter at his most introspective, heartfelt and vulnerable. Her pure tone and musical depth bring the delicate sensibilities of this intimate, moody album to life.

Cole Porter was a genuine craftsman whose songs were elegant yet had a kind of sophisticated, cool detachment that was both charming and poignant. Calabria's sensual vocals, Patterson's captivating arrangements, and top-notch musicianship including jazz masters Eddie Daniels and Gene Bertoncini, capture the essence of Cole Porter's music while creating something new and thoroughly engaging.

The CD is stylistically diverse while maintaining a consistent, intimate tone. From beautiful bossa novas to soulful ballads to the gently swinging tunes, this music is performed with exquisite artistry.
